

IS YOUR CHILD INTERESTED IN STEM?
DO THEY LIKE PLAYING WITH LEGOS?

COME JOIN US TO LEARN ABOUT FIRST

8 to Automate is a FIRST Tech Challenge team from Jerome and Coffman High Schools. Join us for our presentation about the FIRST programs.

FIRST® Lego® League Explore is a hands-on STEM program aimed at children in grades 2-4.

FIRST® Lego® League Challenge is a program involving research, problem-solving, coding, and engineering for students in grades 4-8.

ZOOM MEETING DATES:
TUESDAY, MAY 25 7:00
WEDNESDAY, MAY 26 7:00
